

Fat Burning Ostarine MK 2866 Sarms White Raw Powder CAS 841205-47-8

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Hongbaiyi
- Certification: COA, HPLC MR
- Model Number: HBY-MK 2866
- Minimum Order Quantity: 1KG
- Price: Negotiable
- Packaging Details: Aluminum Bag or 25kg Fibre Drum
- Delivery Time: 3-5 work days after your payment
- Payment Terms: T/T, Western Union, Money Gram
- Supply Ability: 3000kg/Month

Product Specification

- Product Name: Fat Burning Ostarine MK 2866 Sarms White Raw Powder CAS 841205-47-8
- Other Name: Ostarrin
- Purity: >99%
- CAS: 841205-47-8
- MW: 389.33
- MF: C₁₉H₁₄F₃N₃O₃
- Storage: 2~8 Centigrade
- Shelf Life: 2 Years
- Highlight: **Fat Burning MK 2866 Powder ,
Ostarine MK 2866 Powder ,
CAS 841205-47-8 Enobosarm mk 2866**

Product Description

What is Fat Burning Ostarine MK 2866 Sarms White Raw Powder CAS 841205-47-8?

Description:

MK2866, also known as Ostarine is a SARM created by GTX to avoid and treat muscle wasting. It can later on be a cure for avoiding atrophy (total wasting away of a body part), cachexia, sarcopenia and Hormone Replacement Therapy. This type of SARM cannot only retain lean body mass but as well as increase it.

Enobosarm (Ostarine, MK-2866, GTX-024) - affects both muscle and bone, intended mainly for osteoporosis but also general treatment for andropause and reversing muscle sarcopenia in the elderly and for cachexia in cancer patients.

Therefore, ostarine can be used for treatment of conditions such as muscle wasting and osteoporosis.

Product Name	Fat Burning Ostarine MK 2866 Sarms White Raw Powder CAS 841205-47-8
Appearance	white, powder
Purity	99.5% HPLC
CAS No.	841205-47-8
MF	C ₁₉ H ₁₄ F ₃ N ₃ O ₃
Molecular Weight	389.33
Package	Aluminum Bag or Fibre Drum

Application

Ostarine is a potent and tissue-selective receptor modulator (SARM) for treatment of conditions such as muscle wasting and osteoporosis. Ostarine (GTX-024, MK-2866, Enobosarm, S-22) is an orally bioavailable selective receptor modulator. Therefore, ostarine can be used for treatment of conditions such as muscle wasting and osteoporosis.

Dosages

One report on Evolutionary.org stated that the best dose of Ostarine is between 25 and 36mg per day. According to that reviewer, that dosage "gave me my biggest gains in muscle and the best muscle pumps over a 4 week period." That reviewer also added that dosages higher than 36mg did not appear to enhance gains any further. Post cycle, you should follow your usual protocol with Clomid, Nolvadex, Aromasin, etc. for at least 2 weeks to ensure total recovery from your Ostarine cycle.

Function

1. Ostarine is the most anabolic of any SARMS, making its first and foremost use for wanting to gain lean muscle.
2. The gains that are made on ostarine are very keepable and users generally see an increase of up to 7lbs of lean body mass over an 8 week cycle at 25mg/day (diet dependent). The most common dosage is 25 mg for 8 weeks.

Generally, with ostarine, the higher the dosage, the more suppression.

Package and Shipping of Burns Fat SARMS Capsule Ostarine MK 2866 White Powder CAS 841205-47-8

1.Package:

Under 25kg: Inner: A PE bag in aluminum foil bag; Outside: carton

Over 25kg: 25kg/drum inner with double PE bags

2. Shipping

3~5 days after your payment.

FAQ of Fat Burning Ostarine MK 2866 Sarms White Raw Powder CAS 841205-47-8

Q1: Do you Accept Sample Order?

A: Yes. The smallest order we accept is 1KG.

Q2: Do you accept VISA business credit card?

A: Yes. VISA business credit card is in our payment .

Q3: Is there any discount?

A: Yes, if you want to purchase larger quantity, we can offer better price for you.

Q4: How long does it take to me if I order?

A: About 3-5 days upon receipt of payment.

Q5: What kind of transportation do you have?

A: We have many ways of transportations, eg: Air, Sea, Special Lines, TNT, FEDEX, EMS, ect.
