

Raw Powder Pharmaceutical Antibiotics 99% CAS 69-53-4 Ampicillin

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Hongbaiyi
- Certification: COA, HPLC MR
- Model Number: HBY-Ampicillin
- Minimum Order Quantity: 1KG
- Price: Negotiable
- Packaging Details: Aluminum Bag or 25KG/Fibre Drum
- Delivery Time: 3-5 work days after your payment
- Payment Terms: Western Union, T/T,
- Supply Ability: 4000kg/Month

Product Specification

- Name: Pharmaceutical Antibiotics White Raw Powder Ampicillin CAS 69-53-4
- CAS: 69-53-4
- Appearance: White Powder
- Purity: 99%Min
- Shelf Life: 2 YEARS
- Storage: Preserve In Tight, Light-resistant Containers In A Cool Place
- MF: C₁₆H₁₉N₃O₄S
- MOQ: 1kg
- Highlight: **Raw Powder Pharmaceutical Antibiotics, 99% Pharmaceutical Antibiotics, CAS 69-53-4 ampicillin powder**

Product Description

What is Pharmaceutical Antibiotics White Raw Powder Ampicillin CAS 69-53-4?

Basic Information:

Product Name	Pharmaceutical Antibiotics White Raw Powder Ampicillin CAS 69-53-4
CAS	69-53-4
Purity	99%min
MF	C ₁₆ H ₁₉ N ₃ O ₄ S
Storage	Preserve in tight, light-resistant containers in a cool place
Deliver Time	Within 24 Hours After Receiving The Payment
MOQ	1KG

Brief Introduction:

Ampicillin is a betalactam antibiotic that has been used extensively to treat bacterial infections since 1961. Until the introduction of ampicillin by the British company Beecham, penicillin therapies had only been effective against Gram-positive organisms such as staphylococci and streptococci. Ampicillin (originally branded as 'Penbritin') also demonstrated activity against Gram-negative organisms such as *H. influenzae*, coliforms and *Proteus* spp. Ampicillin was the first of a number of so-called broad spectrum penicillins subsequently introduced by Beecham. Ampicillin is part of the aminopenicillin family and is roughly equivalent to its successor, amoxicillin in terms of spectrum and level of activity.[1] It can sometimes result in reactions that range in severity from a rash (in the case of patients that may unwittingly have mononucleosis) to potentially lethal allergic reactions such as anaphylaxis. However, as with other penicillin drugs, it is relatively non-toxic and adverse effects of a serious nature are encountered only rarely.

Product Image:

**Function:**

1. Hemolytic streptococcus, Streptococcus pneumoniae, Haemophilus influenzae, Staphylococcus aureus, or due to otitis media, sinusitis, pharyngitis, tonsillitis and other upper respiratory tract infection
- 2 Escherichia coli, Enterococcus faecalis, Proteus mirabilis, or urogenital tract infection caused by
- 3 Hemolytic Streptococcus, Staphylococcus, or Escherichia coli-induced skin and soft tissue infections
- 4 Hemolytic streptococcus, Streptococcus pneumoniae, Haemophilus influenzae, Staphylococcus aureus, or with acute bronchitis, pneumonia and other lower respiratory tract infection
5. Acute simple gonorrhea
6. For the treatment of typhoid and other Salmonella infections, typhoid fever and carriers of leptospirosis; amoxicillin and clarithromycin may, lansoprazole triple drug eradication of the stomach, duodenum, Helicobacter pylori, Reduce the recurrence rate of peptic ulcer.

Application:

Amoxicillin has a strong bactericidal effect and penetrates the cell wall. It has antibacterial effects for hemolytic streptococcus, Streptococcus, pneumococcus, penicillin G sensitive Staphylococcus aureus, Neisseria gonorrhoeae, Haemophilus influenzae, Enterococcus, Salmonella, Salmonella typhi and Bacillus proteus

Package and Shipping of Pharmaceutical Antibiotics White Raw Powder Ampicillin CAS 69-53-4

Under 25kg: inner: A PE bag in aluminum foil bag; Outside: carton

Over 25kg: inner: Double PE bags; Outside: 25kg/ fibre drum

Shipping:

With 3-5 work days after your payment

FAQ of Pharmaceutical Antibiotics White Raw Powder Ampicillin CAS 69-53-4

Q1: Do you Accept Sample Order?

A: Yes. The smallest order we accept is 1kg.

Q2: Do you accept VISA business credit card?

A: Yes. VISA business credit card is in our payment .

Q3: Is there any discount?

A: Yes, if you want to purchase larger quantity, we can offer better price for you.

Q4: How long does it take to me if I order?

A: About 3-5 days upon receipt of payment.

Q5: What kind of transportation do you have?

A: We have many ways of transportations, eg: Air, Sea, Special Lines, TNT, FEDEX, EMS, ect.
