Brief Introduction:

Many in the bodybuilding community have already heard of Melanotan II (MT2) and its amazing ability to promote darker skin pigmentation. What many bodybuilders don't realize is that Melanotan II also comes with other added benefits that would be of great interests to those on and off cycle. These can include weight loss, increased libido and lean body mass.

Product Image:

Melanotan 2

Function:

1. It's a kind of nutritional supplement.
2. It can improve the aerobic metabolism of the muscle and greatly enhance muscle strength and endurance from diet alone.
