

GMP 99% Purity Follistatin FST-344 for Muscle Growth 1mg/Vials

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Hongbaiyi
- Certification: COA, HPLC MR
- Model Number: HBY-FST
- Minimum Order Quantity: 1box
- Price: Negotiable
- Packaging Details: 1mg/vial, 10vials/box
- Delivery Time: 3-5 work days after your payment
- Payment Terms: , Western Union, T/T
- Supply Ability: 5000kg/Month

Product Specification

- Name: GMP 99% Purity Follistatin FST-344 For Muscle Growth 1mg/Vials
- Appearance: White powder
- Grade Standard: Medical Grade
- Specification: 1mg/vial, 10vials/box
- Purity: 99%
- Usage: Building Muscle, Burning Fat
- Storage: Refrigeration Keep Dry And Away From Light.
- Shelf Life: 24month

Product Description

What is GMP 99% Purity Follistatin FST-344 for Muscle Growth 1mg/Vial?

Basic Information Form:

Product Name	GMP 99% Purity Follistatin FST-344 for Muscle Growth 1mg/Vials
Appearance	White Freeze-Dried Powder
Grade Standard	Medical Grade
Storage	Refrigeration Keep Dry and Away From Light.
Application	Bodybuilding Muscle Building
Shelf Life	24month
Specification	1mg/vial, 10vials/box
MOQ	1 BOX
Origin	China

Brief Introduction:

FST 344 is a secreted glycoprotein, a fascinating glycoprotein. Muscle mass can exceed its natural potential by inhibiting myostatin. FST344 can bind to the ligands of the TGF- β family and regulate its activity by inhibiting its entry into signal receptors, thereby becoming a tonic to increase the mass of lean tissues, rapidly gain muscle, and enable bodybuilders to gain muscle expressly and compete. Obtaining absolute advantage in China is to determine the difference between first and second. Fst is expressed in the decidual cells of the pituitary gland, ovary, endometrium, and other tissues. Recombinant human fst is a 37.8 kDa protein containing 344 amino acids.

Function:

1 Muscle Growth

FST has gained attention in the bodybuilding community due to claims that it can significantly boost muscle mass, although there are relatively few scientific studies that directly back this up in healthy human subjects.

2 Preventing Muscle Loss

Boosting FST levels has also been tested as a treatment for sarcopenia, an age-related muscle-wasting disease. In old mice, daily injections of epicatechin (a natural compound that increases FST levels) led to increased overall muscle strength. The same treatment in 6 human subjects increased their hand grip strength after seven days

3 Baldness

A small trial on 26 men with male-pattern Baldness found that a single injection of FST with other growth factors increased the number of hairs on the head as well as their thickness (follicle density and hair shaft thickness). These beneficial effects lasted for up to a year with only a single treatment without needing repeated administrations

4 Role in Reproductive Health

In men, seminal fluid is rich in FS, although the levels of FST don't seem to be directly related to sperm count . For women, FST promotes folliculogenesis, the process that prepares eggs to be released from the ovaries during ovulation. FST levels are reduced during menopause but can be elevated using hormone replacement therapy.

Package and Shipping of GMP 99% Purity Follistatin FST-344 for Muscle Growth 1mg/Vials

Package: 1mg/vial, 10vials/box

Shipping: With 3-5 days after your payment

FAQ of GMP 99% Purity Follistatin FST-344 for Muscle Growth 1mg/Vials

Q1: Do you Accept Sample Order?

A: Yes. The smallest order we accept is one box.

Q2: Do you accept VISA business credit card?

A: Yes. VISA business credit card is in our payment.

Q3: Is there any discount?

A: Yes, if you want to purchase larger quantity, we can offer a better price for you.

Q4: How long does it take to me if I order?

A: About 3-5 days upon receipt of payment.

Q5: What kind of transportation do you have?

A: We have many ways of transportations, eg: Air, Sea, Special Lines, TNT, FEDEX, EMS, ect.
