

Custom High Purity Thymalin Peptide For Immune Dysfunction CAS 63958-90-

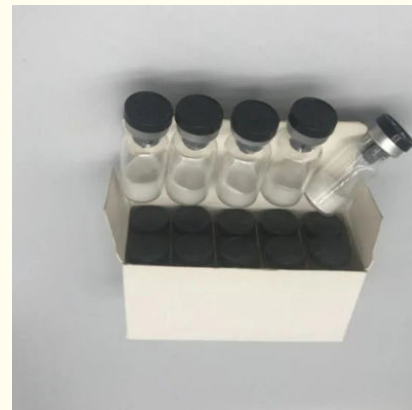

7

Our Product Introduction

for more products please visit us on peptide-powder.com

Basic Information

- Place of Origin: China
- Brand Name: Hongbaiyi
- Certification: COA, HPLC MR
- Model Number: HBY-Thymalin
- Minimum Order Quantity: 5 box
- Price: US \$ 40-90 / box
- Packaging Details: 5mg/vial, 10vials/box
- Delivery Time: 3-5 work days after your payment
- Payment Terms: , Western Union, T/T
- Supply Ability: 3000kg/Month

Product Specification

- Name: Thymalin
- Molecular Formula: C33h54n12o15
- Molecular Weight: 858.85
- CAS No.: 63958-90-7
- Appearance: White Powder
- Peptide Purity: >99%
- Storage: Store In Cool, Dry Places And Keep Away From Fire And Moisture.
- Shelf Life: 2 Years
- Highlight: Custom Thymulin Peptide, Immune Dysfunction Thymulin Peptide, Thymulin Growth Hormone Peptide

Product Description

High Purity Custom Peptide Thymalin CAS 63958-90-7 for Immune Dysfunction

Basic Information Form of Thymalin

Product Name	Thymalin
CAS NO.	63958-90-7
Molecular Formula	C33h54n12o15
Boiling Point	1658.9±65.0 °C
Acidity Coefficient (pKa)	3.08±0.10
Density	1.417±0.06 g/cm3
Aspect	White Powder
Purity	99%
MOQ	5box
Stability	2 years

Brief Introduction of Thymalin

Thymalin is a polypeptide isolated from the thymus gland that helps to regulate the immune system of the body

Thymalin is natural thymic peptide that has been isolated from calf thymus and acts as an immunocorrector or immunostimulant. Restores impaired immune system (regulates the number and ratio of T- and B-lymphocytes and their subpopulations, stimulates cellular immunity reactions, enhances phagocytosis, stimulates regeneration and blood formation in the event of their oppression, and also improves the course of cellular metabolism.

Thymus in Greek means "soul" and is likely named so as it helps house the human soul. A variety of animal species possess this gland, signaling that the organ is ancient and extremely vital. Also, various discoveries have confirmed that the thymus gland helps manage the body's immune system, and thereby one's quality of life (3). Thymus gland secretes various proteins, namely thymic peptides, which help regulate the immune system. Thymalin is one such thymic peptide complex, and it helps manage and overcome immune exhaustion.

Application and Function of Thymalin

- 1.The Thymalin protein is proven to be effective in improving the appearance of the skin, reducing wrinkles and smoothing out the complexion.
- 2.The Thymalin peptides also improve skin texture and reduces dryness and itching.
- 3.It has also been found out that the protein may also help treat skin inflammation and acne.

4. One of the most essential functions of Thymalin is to enhance the production of collagen, which is a tissue that forms the outer layer of skin.

5. Collagen is known to be an essential part of skin maintenance because it helps repair and strengthen the skin and is also responsible for keeping the skin tight and elastic.

6. Thymalin is believed to help with the production of human growth hormone.

Package and Shipping of Thymalin

Package: 5mg/vial, 10vials/box

Shipping: With 3-5 days after your payment

FAQ of Thymalin

Q1: Do you Accept Sample Order?

A: Yes. The smallest order we accept is one box.

Q2: Do you accept VISA business credit card?

A: Yes. VISA business credit card is in our payment.

Q3: How long does it take to me if I order?

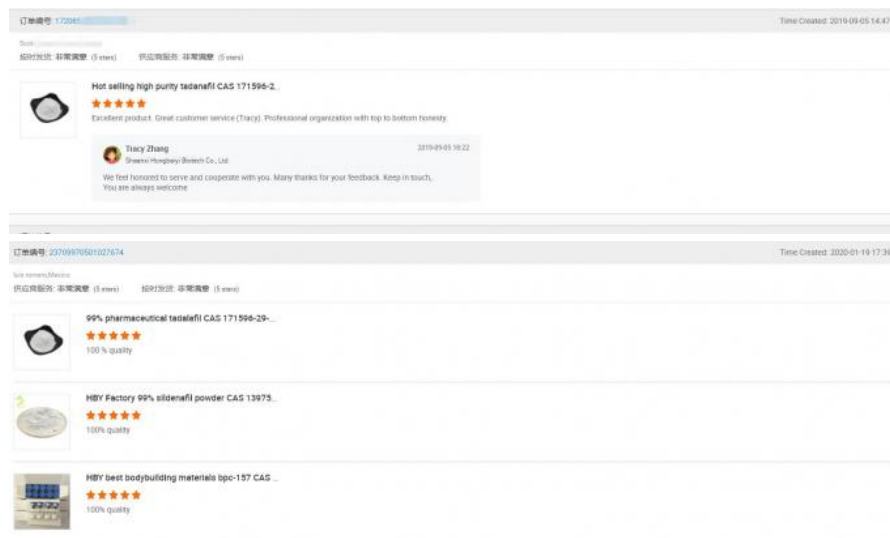

A: About 3-5 days upon receipt of payment.
