

High Purity Peptide BPC 157 Powder

Basic Information

- Place of Origin: China
- Brand Name: Hongbaiyi
- Certification: COA, HPLC MR
- Model Number: HBY-BPC-157
- Minimum Order Quantity: 5 Box
- Packaging Details: 5mg/vial, 10vials/box
- Delivery Time: 3-5 work days after your payment
- Payment Terms: Western Union, T/T,
- Supply Ability: 3000kg/Month

BPC-157

Product Specification

- Name: BPC 157 Powder
- CAS: 137525-51-0
- Molecular Formula: C62H98N16N22
- Molecular Weight: 1419.556
- Appearance: White Powder
- Storage: 2~8
- Shelf Life: 2 Years
- Highlight: **BPC 157 Peptide Powder ,
BPC 157 Human Growth Hormone Peptide**

Product Description

High Purity Peptide BPC 157 Powder

Basic Information Form Of BPC 157 Powder

Product Name	BPC 157 Powder
Cas No.	137525-51-0
Molecular Formula	C ₆₂ H ₉₈ N ₁₆ O ₂₂
Molecular Weight	1419.556
Purity	Over 98%
Appearance	White powder
Shelf Life	2 years

What is BPC 157 Powder

BPC-157, short for Body Protection Compound-157, is a derivative of body protection compound (BPC). BPC is a protein found naturally in the human digestive tract. It plays a significant role in protecting the lining of the gastrointestinal tract from damage, promoting healing, and encouraging blood vessel growth.

Synthetic BPC-157, a pentadecapeptide comprising 15 amino acids isolated from the much larger BPC protein, has been found to retain many of the healing properties of its parent molecule.

BPC 157 Peptides are made of 15 Amino Acids and are derived from human gastric juices. A lot of experiments have shown how BPC 157 Peptides can heal different kinds of tissues. it's pretty much safe to say that patients who suffer discomfort from those mentioned above can benefit from BPC 157 healing work as this peptide can increase the blood flow going back to the areas of injuries. It can also protect organs, prevent stomach ulcers, and even heal skin burns.
