Basic Information

- Place of Origin: China
- Brand Name: Hongbaiyi
- Certification: COA, HPLC MR
- Model Number: HBY-PT 141
- Minimum Order Quantity: 5 BOX
- Price: US\$ 50-70 / box
- Packaging Details: 10mg/vial, 10vials/box
- Delivery Time: 3-5 work days after your payment
- Payment Terms: , Western Union, T/T
- Supply Ability: 4000kg/Month

Product Specification

- Product: PT 141
- CAS No: 189691-06-3
- Molecular Formula: C50H68N14O10
- MW: 1025.2
- Purity: 99%
- Shelf Life: 2 Years
- Storage: 2~8 Centigrade
- Highlight: **Glass Bottles PT 141 Peptides Powder, PT 141 Peptides Powder 10Mg/Vial**

WHY CHOOSE US

- 1 Own Factory**
Hongbaiyi has its own factory, which covers 18,000 square meters and is equipped with 4 standardized production workshops.
- 2 Professional Supplier**
Hongbaiyi is a professional supplier of APIs, pharmaceutical intermediates, veterinary medicine, cosmetic raw, nutritional supplements and other natural active ingredients.
- 3 Quality Assurance**
With strict QC system, our product quality is very reliable and stable. Besides, we have strong technical research and development strength.
- 4 Sales Team**
The experienced sales team of Hongbaiyi offers 24*365 quality service and the products were exported to over 40 countries around the globe.

Product Description

Glass Bottles 99% Purity White Powder 10Mg/Vial PT 141 Buy Online

Basic Information form of PT 141 For Women

Product Name	PT 141 For Women
Cas	189691-06-3
Purity	99%
Appearance	White powder
Molecular Formula	C50H68N14O10
Molecular Weight	1025.2
Store	2~8 centigrade
Density	1.4±0.1 g/cm3

What is PT 141 Buy Online

PT-141 can work when Viagra does not. It uses a different pathway than medications like Viagra. PT-141 is an exciting new option in addressing erectile dysfunction with the further benefit of increased arousal and libido. Also known as Bremelanotide, PT-141 is a melanocortin-stimulating protein that has proven beneficial in the treatment of mild-to-moderate erectile dysfunction

PT-141 binds to melanocortin receptors (MC3-R and MC4-R) in the hypothalamus in the brain. [Molinoff et al. 2003] Activation of these brain neurons has a direct erectogenic effect resulting in on-demand erections. The potency of the medication can last hours. The libido-enhancing effects of PT-141 typically last even longer.

Benefits of PT 141 Buy Online

Results. More women reported moderate or high sexual desire following bremelanotide (Vyleesi) treatment vs. placebo. Among women who attempted sexual intercourse within 24 hours after treatment, significantly more were satisfied with their level of sexual arousal following bremelanotide, compared with placebo.

Effects may be felt up to 12 hours from the time of administration and have been known to last for up to 3 days, diminishing each day. Bremelanotide has been shown to have significant results on male test patients, with what is described as "intense" and "frequent" erections lasting between 2-6 hours.

For women, sexual arousal has been experienced in a varied range of minutes to weeks

Bremelanotide was developed from the peptide hormone Melanotan II

Effective in treating sexual dysfunction in men - impotence / erectile dysfunction and premature ejaculation

Effective in treating sexual dysfunction in women - sexual arousal disorder, generalized hypoactive sexual desire disorder (HSDD)

Does not act upon the vascular system

Increases sexual desire via the central nervous system

Package and Shipping of PT 141 Buy Online

Package: 10mg/vial, 10vials/box

Shipping: With 3-5 days after your payment
