

99% Purity Selank 5mg For Improving Memory White Lyophilized Powder

Our Product Introduction

for more products please visit us on peptide-powder.com

Basic Information

- Place of Origin: China
- Brand Name: Hongbaiyi
- Certification: COA, HPLC MR
- Model Number: HBY-Selank
- Minimum Order Quantity: 5 box
- Price: US\$ 35-42 / box
- Packaging Details: 5mg/vial, 10vials/box
- Delivery Time: 3-5 work days after your payment
- Payment Terms: MoneyGram, Western Union, T/T
- Supply Ability: 3000kg/Month

Product Specification

- Product Name: Selank 5mg
- CAS No.: 129954-34-3
- Molecular Formula: C33H57N11O9
- Molecular Weight: 751.9
- Appearance: White Lyophilized Powder
- Purity: 99%min
- Store: 2-8
- Sequence: Thr-Lys-PRO-Arg-PRO-Gly-PRO
- Highlight: 99% Purity Selank 5mg,
Selank 5mg For Improving Memory,
Selank 5mg Lyophilized Powder

Product Description

99% Purity White Lyophilized Powder Selank 5mg For Improving Memory

Basic Information Form of Selank 5mg

Product Name	Selank 5mg
CAS NO.	129954-34-3
MF	C33H57N11O9
MW	751.87
Appearance	White Lyophilized Powder
Fineness	99%
Storage	2-8
Shelf Life	2 Years

What Is Selank 5mg

Selank is another ACTH/MSH-like peptide of the melanocortin class most closely related to the analog tufstin. While traditionally prescribed for anxiety and depression, it has been known to be effective in many other treatments related to immune modulation, anticoagulation, PTSD, ADHD, and metabolic syndromes.

Selank has pronounced anxiolytic activity and acts as a stable neuropsychotropic, antidepressant, and anti-stress drug that relieves aggression and fear reaction in different animal species.

Selank also has a nootropic action, which positively influences the formation of memory and learning processes, and marked immunomodulatory activity. Clinical studies have shown that the effect of selank is similar to that of tranquilizers at low doses, but is not accompanied by the unwanted side effects of benzodiazepine tranquilizers such as amnesia, withdrawal, or dependence. Experiments have also demonstrated the effectiveness of Selank in preventing the accumulation of body fat (i.e., weight gain) with simultaneous activation of the functional state of the anticoagulation system in development of the metabolic syndrome.

Furthermore, decreased blood glucose levels have been observed with chronic treatment of this peptide. The peptide Selank, like the drug Semax, induces anticoagulant and hyperglycemia effects possibly due to the presence of the same amino acid sequence, Pro-Gly-Pro, in its structure. Thus, Selank can be used as a broad-spectrum therapeutic agent for the treatment of metabolic syndrome. Often prescribed for: Anxiolytic, Immune improvement, gastric protection, as a preventative weight gain/metabolic syndrome, and with opioid and alcohol withdrawal/dependence.

The Benefits Of Selank 5mg

It modulates the immune system by blocking IL-6 and encourages a more balanced immune response. This is what makes it effective against many auto-immune diseases.

It inhibits the histamine response from the mast cells.

It has nootropic/anxiolytic effects- this means it calms you mentally. It works well when used in combination with anti-depressant medications or all by itself.

It decreases inflammation in the brain.

It encourages deep restful sleep.

Package and Shipping of Selank 5mg

Package: 5mg/vial, 10vials/box

Shipping: With 3-5 days after your payment

FAQ of Selank 5mg

Q1: Do you Accept Sample Order?

A: Yes. The smallest order we accept is one box.

Q2: How long does it take to me if I order?

A: About 3-5 days upon receipt of payment.
