

## 99% Purity 5Mg / Vial Anti Aging Steroids Hormone Peptide Hexarelin

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: Hongbaiyi
- Certification: COA, HPLC MR
- Model Number: HBY-Hexarelin
- Minimum Order Quantity: 5box
- Price: US\$ 55-62/ box
- Packaging Details: 5mg/vial, 10vials/box
- Delivery Time: 3-5 work days after your payment
- Payment Terms: MoneyGram, Western Union, T/T
- Supply Ability: 4000kg/Month

### Product Specification

- Product Name: Hexarelin
- CAS NO.: 140703-51-1
- Molecular Formula: C<sub>47</sub>H<sub>58</sub>N<sub>12</sub>O<sub>6</sub>
- Fineness: 99%min
- MW: 887.0
- Storage: Closed, Below 2 ~ 8 Preservation
- Appearance: White Powder
- Shelf Life: 2 Years
- Highlight: **5Mg / Vial Anti Aging Steroids, 99% Hormone Peptide Hexarelin, 5Mg / Vial Hormone Peptide Hexarelin**

## Product Description

### 99% Purity 5Mg/Vial Anti Aging Steroids Hormone Peptide Hexarelin

#### Basic Information Form of Hexarelin

Name	Hexarelin
Synonyms	Hexarelin Acetate, Examorelin
Molecular Formula	C47H58N12O6
Molecular Weight	887.0
Cas No.	140703-51-1
Appearance	White Powder
Purity	99%
Shelf Life	2 years

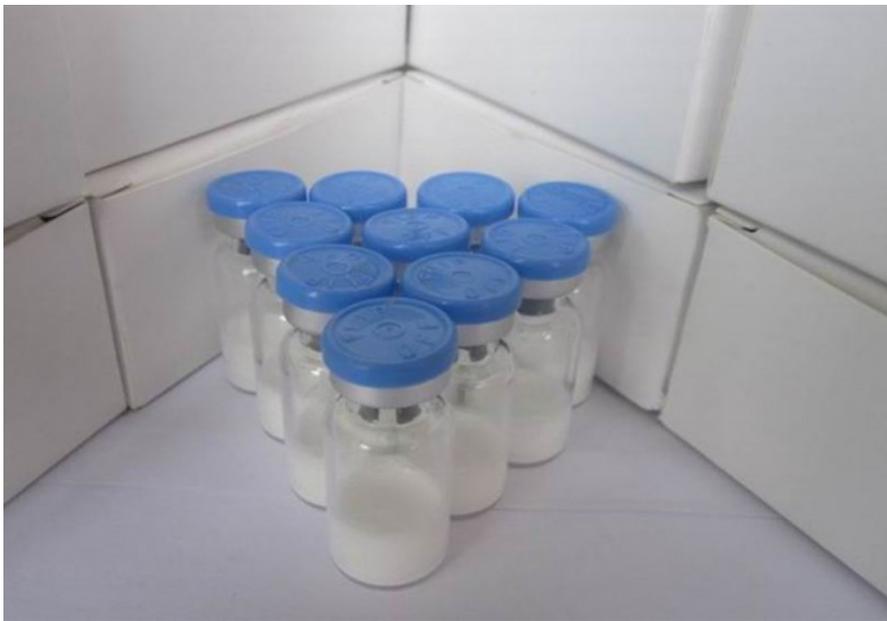

#### What'S Hexarelin

Hexarelin (Hexarelin Acetate) is a synthetic hexapeptide in the growth factor family which stimulates the release of growth hormone (GH) and does not interfere with the ability to produce GH. Structurally, Hexarelin is similar in structure to GHRP-6. Hexarelin is a synthetic growth hormone secretagogue made from six amino acids. It contains powerful growth hormone releasing properties in the human body. Hexarelin in studies over a certain period has shown that it reduces visceral fat. Like other Growth Hormone Releasing Peptides is most effective synergistically with GHRH such as Sermorelin or Modified GRF 1-29.

The increase of circulating GH through use causes levels of Insulin-Like Growth Factor (IGF-1) to rise. substantially and dose-dependently increases plasma levels of growth hormone (GH) in animals and humans.[2] In addition, similarly to pralmorelin (GHRP-2) and GHRP-6, it slightly and dose-dependently stimulates the release of prolactin, adrenocorticotrophic hormone (ACTH), and cortisol in humans.[2][8] There are conflicting reports on the ability of examorelin to elevate insulin-like growth factor 1 (IGF-1) and insulin-like growth factor-binding protein 1 (IGFBP-1) levels in humans, with some studies finding no increase and others finding a slight yet statistically significant increase.[2][9][10][11] Examorelin does not affect plasma levels of glucose, luteinizing hormone (LH), follicle-stimulating hormone (FSH), or thyroid-stimulating hormone (TSH) in humans.

releases more GH than does growth hormone-releasing hormone (GHRH) in humans.[8][12] and produces synergistic effects on GH release in combination with GHRH, resulting in "massive" increases in plasma GH levels even with only low doses of examorelin.[13][14][15] Pre-administration of GH blunts the GH-releasing effect of examorelin, while, in contrast, fully abolishing the effect of GHRH.[14][16] Pre-treatment with IGF-1 also blunts the GH-elevating effect of examorelin.[17] Testosterone, testosterone enanthate, and ethinylestradiol, though not oxandrolone

#### Product Image of Hexarelin

### Benefits Of Hexarelin

1. Lean Muscle Growth
2. Fat Burning & Weight Loss
3. Improves Strength & Flexibility
4. Stronger Recovery & Athletic Performance
5. Improves Sleep Quality & Overall Well-Being

### Package and Shipping of Hexarelin

Package: 5mg/vial, 10vials/box

Shipping: With 3-5 days after your payment

### FAQ of Hexarelin

Q1: Do you Accept Sample Order?

A: Yes. The smallest order we accept is one box.

Q2: How long does it take to me if I order?

A: About 3-5 days upon receipt of payment.

Q3: Do you accept VISA business credit card?

A: Yes. VISA business credit card is in our payment .

Q4: Is there any discount?

A: Yes, if you want to purchase larger quantity, we can offer better price for you.

Q5: What kind of transportation do you have?

A: We have many ways of transportations, eg: Air, Sea, Special Lines,TNT, FEDEX, EMS, ect.
