

White Powder 98% Purity Epitalon Peptide Bodybuilding Anti Aging Human Growth

Our Product Introduction

for more products please visit us on peptide-powder.com

Basic Information

- Place of Origin: China
- Brand Name: Hongbaiyi
- Certification: COA, HPLC MR
- Model Number: HBY-Epitalon
- Minimum Order Quantity: 5box
- Price: US \$ 50-57 / box
- Packaging Details: 10mg/vial, 10vials/box
- Delivery Time: 3-5 work days after your payment
- Payment Terms: MoneyGram, Western Union, T/T
- Supply Ability: 3000kg/Month

Product Specification

- Name: Epitalon For Sale
- Alias: Epitalon
- MF: C14H22N4O9
- MW: 390.35
- CAS No.: 307297-39-8
- Appearance: White Powder
- Fineness: 99%
- Specifications: 10mg/vial, 10vials/box
- Highlight: 98% Epitalon Peptide Bodybuilding, White Powder Epitalon Peptide Bodybuilding, 98% Epitalon Peptide Anti Aging

Product Description

White Powder 98% Purity Anti Aging Human Growth Peptides Epitalon For Sale

Basic Information Form of Epitalon For Sale

Peptide Name	Epithalon For Sale
Alias	Epitalon For Sale
CAS NO.	307297-39-8
Facade	White Powder
MW	390.35
MF	C ₁₄ H ₂₂ N ₄ O ₉
Fineness	99%
Specifications	10mg/vial, 10vials/box
Stability	2 years

What Is Epitalon For Sale

Epitalon (also called Epithalamine, Epithalamin, Epithalon, and Epithalone) is a synthetic research chemical version of the neural polypeptide called Epithalamin produced in the pineal gland. Its natural function is to regulate various brain processes but it has many powerful effects when administered from outside sources. Epitalon has been shown to elongate telomeres. Telomeres are the ends of chromosomes that protect vital DNA from being lost. When telomeres shorten, this is a leading sign and possible cause of aging and correlates to increased susceptibility to diseases of aging including cancer. By elongating telomeres, Epitalon may be a powerful weapon that reduces or reverses aging in the cell.

How Does Epitalon Work?

Epitalon peptide is a synthetic version of Epithalamin.

The tetrapeptide consists of 4 amino acids:

Alanine
Glutamic Acid
Aspartic Acid
Glycine

These 4 amino acids combine to replicate the effects of Epithalamin in the pineal gland.⁵

Epithalamin is crucial to the production of telomerase.

Telomerase is essential to aging since it allows for the replication of DNA.

Thus, your body is capable of rejuvenating old cells or stimulating new growth.

However, the numerous benefits of Epitalon do not simply end with its anti-aging effects.

The Benefits Of Epitalon For Sale

Treatment for Stress and Tension

We cannot overemphasize the role stress and tension play in bad health, including accelerating the effects of aging.

For this reason, Epitalon relieves tension and stress in a positive manner without jeopardizing long-term health and lifestyle.

In fact, the peptide has not demonstrated the same awful side effects as many other types of anti-aging treatment (more information, below).

Furthermore, the telomerase activator is linked to extending life expectancy because of several benefits to the body:

Antioxidant Properties

Normalizes Cell Function

Promotes Cellular Replication

Rejuvenates Dying/Old Cells

Improves Skin Conditions

Accelerates Healing & Recovery

Improves Resistance to Emotional Stress

Lastly, there is the potential for Epitalon to prevent age-related conditions (like dementia).

Package and Shipping of Epitalon For Sale

Package: 10mg/vial, 10vials/box

Shipping: With 3-5 days after your payment

FAQ of Epitalon For Sale

Q1: Do you Accept Sample Order?

A: Yes. The smallest order we accept is one box.

Q2: Do you accept VISA business credit card?

A: Yes. VISA business credit card is in our payment.

Q3: How long does it take to me if I order?

A: About 3-5 days upon receipt of payment.

Q4: Is there any discount?

A: Yes, if you want to purchase larger quantity, we can offer a better price for you.

Q5: What kind of transportation do you have?

A: We have many ways of transportations, eg: Air, Sea, Special Lines, TNT, FEDEX, EMS, ect.
