

Testosterone Decanoate Bodybuilding Anabolic Steroids Help Male Muscle Growth

Our Product Introduction

for more products please visit us on peptide-powder.com

Basic Information

- Place of Origin: China
- Brand Name: Hongbaiyi
- Certification: COA, HPLC MR
- Model Number: HBV-Testosterone
- Minimum Order Quantity: 1KG
- Price: Negotiable
- Packaging Details: Aluminum Bag or 25KG/Febr Drum
- Delivery Time: 3-5 work days after your payment
- Payment Terms: , Western Union, T/T
- Supply Ability: 4000kg/Month

Product Specification

- Name: Testosterone Decanoate
- Cas No: 5721-91-5
- Synonyms: Testosterone Decanoate;4-Androsten-17beta-ol-3-one Decanoate
- Chemical Formula: C₂₉H₄₆O₃
- Molecular Weight: 442.68
- Purity: 99.5%
- Appearance: White Powder
- Shelf Life: 2 Years
- Highlight: **Testosterone Decanoate Bodybuilding Anabolic Steroids**
Male Muscle Growth Bodybuilding Anabolic Steroids

Product Description

Testosterone Decanoate Bodybuilding Anabolic Steroids Help Male Muscle Growth

Basic Information form Of Testosterone Decanoate:

Product Name	Testosterone Decanoate
Synonyms	testosterone decanoate;4-Androsten-17beta-ol-3-one Decanoate
Cas No.	5721-91-5
Chemical Formula	C ₂₉ H ₄₆ O ₃
Molecular Weight	442.68
Aspect	white crystalline powder
Purity	99.5%
Shelf life	2 years

Description Of Testosterone Decanoate:

Testosterone Decanoate , is probably best known as one of the ingredients in Sustanon. Testosterone with the decanoate ester, a slow-acting long ester, similar to testosterone enanthate.

Testosterone Decanoate has been used as a part of the testosterone blend Sustanon 250 for a long time. Recently, it has become available on its own in a product called neotest 250. The decanoate ester makes this testosterone drug stay in the blood stream for an extended period of time, allowing the user to inject only once a week and still have strong gains to show from it.

Application Of Testosterone Decanoate

Because the Decanoate ester is so long lasting, users will only need to inject the drug once a week. The drug itself doesn't fully leave the body for 15 days. Users sometimes stack Neotest 250 with Deca-Durabolin and inject them at the same time, as they will last in the body the same amount of time. Doses as little as 250 mgs/week will see results and extreme doses of 1000 mgs/week have been recorded with little side effects, although use of an aromatase inhibitor is a must at extreme doses.

Testosterone is usually used by both pro athletes and additionally body-builders alike, primarily given that its the very effective muscles building & strength developing, inexpensive, readily readily available, fat reducing androgen. The majority of testosterone contain esters, as an illustration, the enanthate ester (a long one) was developed to increase the actual time released duration of testosterone thereby reducing the particular frequency of injections for hormone therapy patients permitting for monthly shots. Conversely, the actual propionate ester (a short one) requires way more frequent daily or even every various other day dosing. Depending at the release speed of the ester being administered, body-builders will increase or possibly decrease their dosages and additionally frequency of shots to greatest accommodate the properties of particular esters in an effort to keep their blood concentrations level. Hybrid ester blends like Sustanon, Omnadren and additionally others, end up being greatest administered frequently earlier inside your cycle (like a short ester) to benefit from the short esters rapid results, and even less frequently later (like a long ester) once the long esters have accumulated within your bloodstream, i. e. kicked around. By maintaining even

testosterone blood serum levels you can considerably more effectively stave off many of the negative unintended effects affiliated along with high and low alternating blood serum concentrations.

Package and Shipping Of Testosterone Decanoate:

Under 25kg: inner: A PE bag in aluminum foil bag; Outside: carton

Over 25kg: inner: Double PE bags; Outside: 25kg/ fibre drum

Shipping:

With 3-5 days after your payment

FAQ Of Testosterone Decanoate:

Q1: Do you Accept Sample Order?

A: Yes. The smallest order we accept is 1kg.

Q2: Do you accept VISA business credit card?

A: Yes. VISA business credit card is in our payment.

Q3: Is there any discount?

A: Yes, if you want to purchase larger quantity, we can offer a better price for you.
