### Product Description

### Hongbaiyi: Capturing Nature's Flavor & Goodness

Hongbaiyi isn't just a manufacturer; we're flavor alchemists. We transform the essence of fruits and vegetables into concentrated bursts of taste and function, perfect for modern food and beverage creations.

Take our signature pear juice powder, for example. Made from renowned Hongbaiyi pears, known for their sweetness and natural vitamin C, it's a convenient and shelf-stable way to unlock pure pear flavor in your creations.

This dedication to quality and innovation runs through everything we do. We offer a diverse range of fruit and vegetable juice powders, opening a world of culinary possibilities. From refreshing pear drinks to vibrant baked goods and natural coloring solutions, Hongbaiyi empowers you to elevate your creations with the pure essence of nature.

#### Basic Parameter

Feature	Specification
Appearance	Light pink to deep purple powder (Color varies depending on mangosteen variety and processing method)
Aroma	Slightly sweet, fruity with a tangy citrus note
Taste	Sweet and tart, with a slightly acidic aftertaste
Solubility	Moderately soluble in water
Moisture Content	Typically less than 5%
Acidity	Varies depending on processing method (usually expressed as % citric acid)
Brix	Measures the sugar content (usually expressed as degrees Brix)
Source	Dehydrated mangosteen fruit pericarp (rind) juice
Particle Size	May vary depending on manufacturer, but typically ranges from fine powder to granules
Applications	Beverages (smoothies, juices, teas), baking (cakes, muffins, frostings), snacks (yogurt toppings, granola mix-ins), dietary supplements
Storage	Cool, dry place, airtight container, away from direct sunlight (to preserve color)
