Product Description

Hongbaiyi Onion Juice Powder: A Potent Flavor Boost

Hongbaiyi Onion Juice Powder packs a powerful punch of onion flavor in a convenient, shelf-stable format. This light yellow to light brown powder boasts an intense aroma and taste, capturing the essence of fresh onions. Highly soluble in water, Hongbaiyi Onion Juice Powder readily dissolves, making it a versatile ingredient for soups, sauces, marinades, and spice blends.

Just a sprinkle adds depth and complexity to your dishes, eliminating the need for chopping or sautéing fresh onions. Containing around 3-8% moisture, this free-flowing powder boasts a long shelf life and easy storage. Check the label for any additives, as some manufacturers may include anti-caking agents like silicon dioxide. With its intense flavor and convenient form, Hongbaiyi Onion Juice Powder is a great addition to any pantry, perfect for home cooks and professionals alike.

Basic Parameter

Specification	Description	Expected Value (Hongbaiyi)
Appearance	Light yellow to light brown powder	Check product label
