

Ovagen Peptide Ovagen liver protection Ovagen detox peptide Ovagen anti-fibrosis liver Ovagen hepatocyte regenerator

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Hongbaiyi
- Certification: COA, HPLC MR
- Model Number: HBY-Ovagen
- Minimum Order Quantity: 5 boxes
- Price: Negotiable
- Packaging Details: 5/10/15mg/vial, 10vials/Box
- Delivery Time: 3~5 days, upon receipt of payment
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 5000 boxes per month

Product Specification

- Product Name: Ovagen Peptide
- Product Category: Collagen Peptide
- Molecular Formula: C₁₇H₃₁N₅O₈
- Molecular Weight: 433.46 G/mol
- Appearance: White Lyophilized Powder
- Purity: ≥99% (HPLC/LC-MS)
- Sequence: Leu-Glu-Asp (LED)
- Source: Synthetic Peptide
- Highlight: Ovagen peptide liver protection,
Ovagen detox peptide supplement,
Ovagen anti-fibrosis collagen peptide

Product Description

Ovarian origin is a tripeptide biological regulator that mainly acts on the liver and gastrointestinal tract. Although research on this Khavinson peptide is currently limited, it has shown potential as an anti-aging peptide in the liver and gastrointestinal tract. Research has shown that Ovagen can reduce long-term fibrosis of the liver and help protect the gastrointestinal mucosal layer from the effects of antibiotics, environmental toxins, and even chemotherapy. People are also interested in Ovagen's ability to inhibit HIV replication.
